Boarding Release and Information

In case of illness or injury, I, the undersigned, do hereby give my consent for the doctors of the Veterinary Clinic, P.C. to treat, prescribe for, or operate upon my pet(s) while they are being boarded at the Veterinary Clinic, P.C.

They are to use all reasonable precautions against illness, injury, or escape of my pet(s), but they will not be held liable or responsible in any manner whatever, under any circumstances, on account of the care, treatment, or safe keeping of my pet(s), as it is thoroughly understood that I assume all risks.

Should the circumstance arise that my pet(s) remain unclaimed after the date which I have stated as the pick-up date, I understand that written notice will be mailed to the address below. Seven days after such written notice the pet(s) will be considered abandoned and may be disposed of, adopted, or destroyed as you deem best. It is further understood that such action will not relieve me from paying all costs of your service and the use of your hospital, including the cost of the boarding service.

***Each pet boarding at the Veterinary Clinic, P.C. must be current on vaccinations, have a negative fecal check or be dewormed on admission. Dogs on monthly deworming programs or cats living indoors only will not need fecal tests.*

**I understand that should fleas be detected on my pet(s), the pet(s) will be treated by the doctors and staff to remove the fleas at an additional charge to be paid by the owner.

***I understand that medications given to my pet while under the care of the Veterinary Clinic, P.C. will result in an additional charge beyond the regular boarding fee.*

I have read the foregoing and agree.
